

## Textbook Multiple Choice Practice

\*\*\* Keep in mind that these are chapter questions from the textbook, but **we did not do every single section** from each chapter. **There may be some material you are unfamiliar with** so look at your checklist or your notes (or just remember what we did and did not do!) if you aren't sure a question is fair to ask or not. \*\*\*

These questions are intended for extra practice, after you have finished other review materials. Good luck!
